

Application to obtain/manage an UAS operator number – Legal persons (for companies with their registered office in Luxembourg)

All fields must be completed unless marked (optional),
otherwise the application cannot be processed

A. Identification of the request			
New UAS operator			
Correction			
Renewal			
Permanent deregistration			
If you have already registered as an UAS Operator, please insert for each application the <u>FULL ID STRING</u> mentioned on your UAS operator certificate (except new UAS operator)			

B. Contact details of the operator			
Name of company <u>or</u> administration		RCS number	
Street and Number	Postal code	City and Country	
Phone (with prefix)	Website (optional)	Email 1	Email 2 (optional)

C. Contact details of the applicant			
Last name	First name	Social security number	Relationship with the operator (eg. Secretary)

D. Engagement
All unmanned aircraft operating in Luxembourg airspace must be covered by a third party liability insurance. The Operator must possess a valid insurance policy before submitting this request.
Insurance contract number
The Operator shall ensure that all personnel directly involved in the operations are competent to carry out their duties and the UAS shall only be operated by remote pilots who possess the appropriate level of competence.
Oui Non

The Operator certifies that he/she does not have another operator ID, either in Luxembourg or abroad.

Oui Non

The operator undertakes to display the registration number legibly and visible on each UAS operated (the same number may be used on several drones).

E. Supporting documents

Extract from the company register

Copy of the applicant's identity document

The applicant hereby certifies that the application is complete, truthful and genuine and undertakes to provide the necessary documents where applicable.

Date

Signature of applicant

civilair@av.etat.lu

or by post to:

Direction de l'Aviation Civile (DAC)
4, rue Lou Hemmer
L-1748 Findel (Luxembourg)

INFORMATION NOTE ON DATA PROTECTION

Registration of UAS operators

Personal data are processed for the purpose of aviation security by guaranteeing that UAS operators are identified and identifiable by registering in the national database.

Failure to provide these data will prevent the registration of the operator and thus the operation of UAS.

The data subject has the right :

- to access to their personal data,
- to rectification or erasure of personal data or restriction of processing,
- to object to processing,

by contacting the data protection officer (dpo@av.etat.lu). Proof of identity has to be included in the request (ex. copy of identity card or passport, licence number, etc.).

For more detailed information on the protection of your personal data, please consult our website:
