If granted, the third-country national receives a "temporary authorisation to stay" ("*autorisation de séjour temporaire*"). This temporary authorisation to stay is valid for a period of 90 days. During this time, the third-country national must :

- either request a visa to enter the Schengen area, if subject to visa obligation;
- or, if not subject to visa obligation, enter on the territory of Luxembourg and make his/her declaration of arrival at the municipality ("*administration communale*") of the chosen place of residence.

After entering Luxembourg, the third-country national has to follow the procedure to apply for the residence permit ("*titre de séjour*").

## 2. Explanations

### a. Conditions to be fulfilled by the sponsor (third country national residing in Luxembourg legally):

In order to pretend to family reunification, the sponsor must fulfil certain conditions (article 69 of the modified law of 29 august 2008 on the free movement of people and immigration). He/she must:

- be holder of a residence permit with a validity of at least a year<sup>4</sup> and have well-founded prospect to be entitled to the status of long-term resident once ;
- bring proof that he/she disposes of regular, stable and sufficient resources to cover his/hers own needs as well as those of his dependent family members without having recourse to the social aid system. The level of the resources is appreciated by reference to the monthly average rate of the social minimum salary of a non qualified worker during a period over 12 months;
- have appropriate housing in Luxembourg ;
- have an insurance to cover oneself and the family members.

---

<sup>4</sup> The condition of a minimal period of time of legal residence in Luxembourg does not apply in the following cases :

- for the case that the sponsor would like to bring his/her minor children and he/she holds the sole custody;
- for the sponsor that is holder of a residence permit « European blue card », "ICT", "mobile ICT" and as a researcher or that holds a long-term resident status in another member State of the EU and wishes to come to Luxembourg for the case the family was already constituted in the first EU country. These persons can be accompanied by their spouse/partner as well as by their unmarried minor children.

**b. Family members eligible to family reunification:**

Family reunification is not possible for every family member. The following persons are eligible:

- the sponsor's spouse (husband/wife);
- the registered partner;
- the minor unmarried children of the sponsor or his/her spouse/partner under the condition to have custody for them and that they are dependent. In case of joint custody, the other parental party must agree.

Can be eligible (with the minister's preliminary agreement):

- immediate ascendants (parents) of the sponsor or the spouse/partner whenever dependent and deprived of the necessary family support in their country of origin;
- unmarried children over 18 years of age of the sponsor or the spouse/partner whenever they cannot cover their own needs for health reasons;
- the legal tutor or any other family member of the unaccompanied minor, who benefits of an international protection, whenever he/she does not have immediate ascendants or these cannot be found.
