

M2M API consumption - API access request

This form is intended to request access to a Luxembourg Government-provided API.

You may only use this form if you meet the following criteria :

- * This form must be filled in and signed by a **technical representative of the organization**, as delegated using **form IAM-CTIE-042** (M2M API consumption - Organization onboarding and delegation) ;
- * One form must be filled for each application/project accessing one API.

How to use this form :

You may either **digitally sign** this form (using LuxTrust) or **manually sign** it (in which case it must be forwarded along with a recto/verso copy of the ID documents of the technical representative and API owner). It must then be sent to the appropriate team within CTIE/DSI : api.admins@ctie.etat.lu.

Note : The process is documented in "API Integration Guide - Use Case 2 - Business to Government (M2M aka. Server to Server)".

Organization

Requesting organization (as previously defined using form IAM-CTIE-042 (M2M API consumption - Organization onboarding and delegation)) :
